Set in the heart of this popular village location but within a private cul de sac and set back from the road is this stunning family home.

Dunraven House is a spacious, inviting, modern detached home which has benefited from extensive remodelling and updating over the last year; these changes have not only transformed the visual appeal but added to the sheer comfort of this amazingly luxurious home.

This imposing house, comprising some 2,350 square feet, is approached by a wide gravelled drive with plentiful parking for over 5 cars. At the side of the property is a detached brick built garage with electric up and over door. This could be converted into accommodation space if desired.

Walking through the front door, the inviting and spacious hallway flows through into the stunning open plan kitchen/breakfast room with a new designer kitchen, finished with quartz worktops and a centre island. There are many feature appliances including a hot tap, Neff double ovens, Neff microwave oven, Siemens Fridge/Freezer, Neff warming drawer and dishwasher. The kitchen leads through to the dining area, this space would easily accommodate a table with chairs or sofas and naturally leads through the newly fitted bi-fold doors (with integrated blinds) onto the garden terrace.

Off the kitchen is a large utility room with ample space for a washing machine, tumble dryer and an extra fridge, which are not included in the sale.

The beautiful dual aspect lounge enjoys double doors onto the hallway and is fitted with a cosy log and coal burning stove and double doors onto the garden.

Facing towards the front of the property is a second reception/dining room with views over the front.

Upstairs are four double bedrooms, a dressing room (which could be converted back into bedroom five) two with en-suites which makes it ideal for the larger family and/or guests staying.

The master bedroom also enjoys an en-suite with dressing room. The family bathroom is well fitted with a white suite along with wall tiling.

We must mention the south facing garden – the gardens, close to the house, are very private making relaxing and entertaining outside a joy. Take a moment to stroll along the garden admiring the pond and down to the orchard area, with shed and greenhouse for growing those all important plants or vegetables.

Both inside and outside, this house ticks so many boxes, please don't put off booking a viewing...

This beautiful riverside village had opportunities to join this thriving community. For a village, it boasts more than its fair share of services: a well-stocked village shop, a ladies clothes shop, hairdressers, social and recreational amenities including a sports club, local village hall and Ofsted outstanding school.
