## 5 bedroom detached house for sale | Freehold

Set in the heart of this popular village location, but within a private lane and set back from the road, is this stunning family home that offers over 3300 sqft. of accommodation.

Welford-On-Avon is a riverside village with a thriving community. For a village, it boasts more than its fair share of services; a well-stocked village shop, a ladies clothes shop, hairdressers, social and recreational amenities including a sports club, local village hall and Ofsted outstanding school. A popular golf course, and of course, two village pubs.

Built by the current homeowners back in 2022, no expense was spared when creating this impressive property with underfloor heating throughout the ground floor. One thing that this home certainly does not lack is open plan living; an impressive statement living / kitchen / dining room offers a space perfect for entertaining and certainly a room that the current homeowners very rarely stray from. A separate living room offers further bi-fold entry onto the rear garden and a room perfect for those evenings in, as well as a further reception space that could be utilised as a formal dining room or study. Also benefitting from a utility housing the warm-air heating system and a w/c.

The first floor comprises; substantial main bedroom with dressing room, en-suite and Juliette balcony, three further double bedrooms with two of those benefitting from en-suites, a further single bedroom / office and a three piece family bathroom.

A detached double garage with electric doors has its own power supply, as well as having a water supply, meaning that subject to planning a detached annexe could be possible. A wooden staircase has been fitted to offer access to the upper floor.

The property also benefits from a garden which has been predominantly laid with artificial grass that wraps around the property, along with a patio area that becomes a real sun trap. A blocked paved drive offers parking for several vehicles.
